If we do not complete a transfer to or from your Account on time or for the amount you requested, according to our agreement with you when you have properly instructed us to do so, we will be liable to you for your losses or damages caused as a result. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in your Account to make a transfer.
2. If a legal order directs us to prohibit withdrawals from the Account.

6. If any electronic terminal, telecommunication device, or any part of BRED Fiji Connect system is not working properly and you knew about the problem when you started the transfer.
7. If circumstances beyond our control (such as fire, flood, interruption in telephone service or other communication lines) prevent the transfer, despite reasonable precautions that we have taken.

Your Responsibilities and Liability for Unauthorized Use

Your BRED Fiji Connect Login details are important. If you disclose them you will be at risk becoming a victim of fraud. Criminals use a number of different methods to obtain your Internet and Mobile Banking details in order to defraud you. A common method is by way of an email purporting to be from your bank. This is known as a Phishing email. The email will state some reason which requires you to click on a link which will take you to a website. The reason given may be to ensure continued access to your BRED Fiji Connect facility or perhaps to verify that you have received some funds. If you do click on the link then you will be asked to enter some or all of your BRED Fiji Connect details such as the full Login Name and Password. We only ask for the numbers appearing before the alphabet in your account number which is used for logging in. The website that you go to after clicking on the link will probably look very convincing and appear genuine and will be provided by a fraudster.

Should you receive such an email, please DO NOT neither follow the instructions nor respond. We will never ask customers to re-register security details by email.

Such e-mails are an attempt to obtain your BRED Fiji Connect Login details in order to remove funds from your bank accounts. Should you receive an email like this, do not respond and contact e-channels@bred.com.fj or call +679 310 0222.

Contact us immediately if you believe your password has been lost, stolen, used without your authorization, or otherwise compromised or if someone has transferred or may transfer money from your accounts without your permission. A phone call to us is the best way to reduce any possible losses. You could lose all the money in your accounts plus your maximum overdraft line of credit, if any. You agree to assist us in our efforts to recover any funds that were transferred or paid without your permission.

Termination

You may cancel your Internet and Mobile Banking service at any time by completing a Maintenance form. If your account is closed or restricted for any reason we may at any time cancel all or part of the Internet and Mobile Banking services we generally offer.

Cut-off times

Instructions received after a cut off time may not be processed until the next Business Day. This may be the case even if the BRED Fiji Connect service shows a change in account balances resulting from the operation. Different cut off times apply to different instructions (2pm daily for payments to other banks). We may vary cut-off times at any time. We will advise you of permanent or long term variations to cut off times, however, we may need to make temporary changes, in which case we may not give advance notice.

Biller consent

If you tell us that a Bill payment was made in error, we will require your written consent addressed to the Biller with the following information:

- Name of Biller
- Customer reference number registered with the Biller
- Value of transaction

- Internet and Mobile Banking Receipt number

If you do not give us that consent, the Biller may not be permitted under law to disclose to us the information we need to investigate or rectify that bill payment.

Should the details you have entered prove to be incorrect, in most cases the payment (or individual credit) will return to your account within 48 hours processed by the other financial institution.
