Transition & Maturity Process

When the account holder turns 18, full control of the account will be transferred from the trustee to the student, subject to a KYC refresh.

Until then, the account will be blocked on the system and Once authority is transferred, the student can continue enjoying the benefits of the Premium Student Saver Account until they reach 24 years of age, after which the account will be converted to a Premium Savings Account.

Note: Premium Student Saver Account needs to be opened by the student's parent or legal guardian.
